I Have just returned from a holiday in Grand Canaries I stayed at Hotel Gloria Palace San Agustin I thought it was going to be 11 days of rest and relaxation then 2 days into my holiday over 100 Linedancers from Demark arrived they come every year to this hotel same week and they have an agreement with the management to use the outside space to dance between 8pm - 10pm they also danced in main indoor room floor not that big but once the main holiday makers had gone to bed they carried on dancing till the early hours so I was told -there were several clubs from Denamark there but I believe the main organiser is Ann&Tage Nystrup WhiteHat Linedancers. I just want to say what a great bunch of people they were made me feel very welcome and encouraged us to join in I have come away with a few email addresses so I shall be keeping in touch and maybe my next trip will be to Demark

Thank you all for making me so welcome on your dance floor

Anyone who wants any more details you can mail me mmhains@tiscali.co.uk

Sounds like you had a great time Margaret 😊

Generally speaking Line dancers are a pretty friendly bunch the world over.

If you like a bit of Line dancing on your holidays you might want to think about joining Betty, Ria Vos, and myself in Salou next Septenber. We have had a great time the last two years.
